# UNUM IRELAND APRIL 2011 - PRESENT

Joined the Unum insurance group directly after college and have been working there for the past 4+ years. Started in EDI and slowly gained more and more responsibilities over the years. Successfully lead a number of projects within the company, some of which you can view on my portfolio at www.patrickkillalea.com.
Below you can see some of the roles which I have had so far in the company.

## SCRUM MASTER

Charged with keeping product backlogs up to date. Facilitation of daily stand ups, sprint planning sessions and retrospectives. Organize meetings with stakeholders, conducting demo's and presentations to business users and management. Responsible for updating scrum board and TFS.

## PROJECTS

- Sniper - Enterprise wide data correction tool
- Mapper Self Serve - Sample file creator web application
- EDI On Call - Web app used by EDI support while on call
- Where Donations Go - Irish charity comparison website
- Coffee Order System - Office Nespresso ordering system
- OCI Insourcing - Bringing expensive data feeds into Unum

## ETL DEVELOPER

Responsible for the development and support of the companies in-house ETL data warehouse system. Work closely with members of the US business team to translate detailed requirement documents into automated jobs within our system. Primarily utilized T-SQL, SSIS and SSRS.

## EDI TEAM LEAD

Leading a team of 4 Irish developers I am charged with:
Reviewing new work items and assigning to team members.
Mentoring members of the team and creation of training docs.
Running meetings between Ireland and US staff.
Creation of monthly reports for upper management.
Interviewing potential new team members.

## Education

**Institute of Technology Carlow**
IT Systems Management Level 8
*Graduated 2010 - Grade 2:1*
Software Engineering Level 7
*Graduated 2011 - Grade 2:2*

## Interests

Board member of WhereDonationsGo.ie
Swimming, gym and playing soccer
Founder of the Unum soccer club
Interested in TV shows and video games
Strong will for continual learning and
keeping up to date with new technologies

## Achievements

Recipient of 2014 Unum Aspire award
Runner up TATA project competition 2010
Managed LAN gaming competitions
President of the Carlow computer gaming
society between 2006 and 2008
Connacht Colleges GAA football winner
